DIKE & SON

Home deliveries

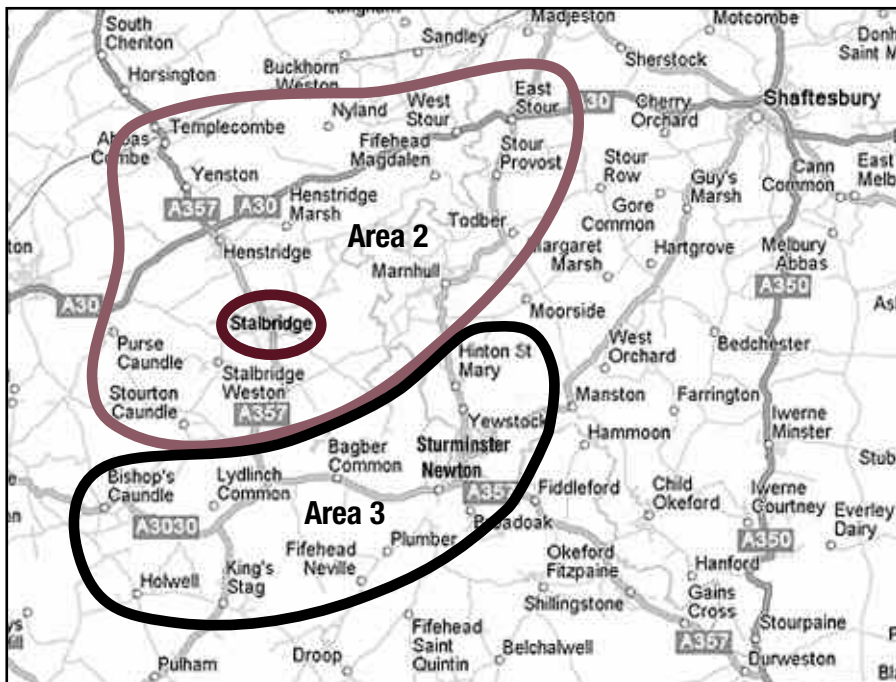

As you may be aware, Dike & Son Ltd currently offers free home delivery, five days a week. This is for **Complete Shopping** (we take your order, select your shopping and deliver it to your door) and also **DIY Shopping** (where you come into the store, buy and pay for your shopping and we drop it round to you later on in those blue and grey boxes you often see by the tills).

Sadly, rising transport prices mean that we are going to have to make a small charge for delivery, just to cover our costs. This will take effect from **1st March 2010**.

To lower our carbon footprint as well as cutting fuel costs, we will also be grouping our deliveries into **designated areas on particular days**. See overleaf for a map and further details.
